

The Solar Energy Society (UK-ISES)

13th Photovoltaic Science, Applications and Technology Conference (PVSAT-13)
University of Bangor, 5-7 April 2017

SPONSORSHIP OPPORTUNITIES

The PVSAT conference series has been running since 2003 and attracts around 120-150 delegates each year. The delegates are mainly from UK academia but UK companies are also represented. Invited speakers are high calibre researchers from Universities, Companies and Research Institutes worldwide. This year the PVSAT conference is at Bangor University, situated in the picturesque area of North West Wales.
