International Membership combines National UK-ISES Membership with ISES Membership.

(Please note: All international members must provide a valid email address!)

Additional benefits of international membership include the electronic ISES Newsletter - 12 issues per year; Renewable Energy Focus Magazine - 6 digital issues per year; free participation in ISES webinars; access to the Members area and Members directory reduced registration fees at ISES conferences; reduced prices in the online bookshop. Additional services for Silver (5-year) and Gold (Lifetime) Memberships available on-line at www.ises.org.

* International Senior category only available for renewing members.

+ International Student category – maximum period 2 years and student ID required.

National Corporate Membership enables 3 nominees to receive all benefits of International Membership together with one paper or on-line subscription to Solar Energy Journal. In addition the name and/or logo of Corporate Members organisations are included in all UK-ISES printed products and a web link to is provided on the UK-ISES internet homepage.

Membership subscriptions are not subject to VAT.
